

WHERE WILL YOUR SURGERY BE PERFORMED?

Dear Patient,

I understand that undergoing surgery can be inopportune and daunting. It is my goal to provide you with the most comfortable and safe surgical experience. At the Hughston Clinic we are lucky to have access to dedicated surgical facilities that are uniquely positioned around our hub facility, which allows for optimal quality-control, communication, and patient convenience. Therefore, I perform my operations at the ***Jack Hughston Memorial Hospital, Hughston Surgical Center, The Surgery Center on Weems Road, and Piedmont Columbus Regional Hospital Northside Campus*** where you will receive elite care from Hughston Clinic physicians, nurses, and staff who are dedicated to providing world class orthopaedic care.

Bradley L. Young, MD

Jack Hughston Memorial Hospital

Address: 4401 River Chase Drive
Phenix City, AL 36867-7483

The “Jack” has been ranked in the **top 10% nationwide for both orthopedic and joint replacement care**; in fact, it is the only hospital in Alabama to be recognized for excellence in both these areas during a given year.

Furthermore, for eleven years in a row (2012-2022), it has not only been listed among **America’s 100 Best Hospitals for Orthopaedic Surgery and Joint Replacement**, but has also been included by Healthgrades in the top 5% of hospitals in the nation for overall orthopedic services and joint replacement.

The “Jack” is commonly where you will have surgery if you will require overnight care. It also has its own **Emergency Department** making it your convenient “go-to” site for any unforeseen urgent complications.
